Art: Nawal Khatiwada Theme: Team Building

Sydney based Bhutanese-Australian, professional registered nurse, Nawal implements art therapy in healing process. He has been providing the Foundation with a creation since last 5 years; for which the Foundation is thankful. Reading Nawal's art is expressed as a daunting task. In this art, he uses mirrored coloured texture. This details that differences do exist. Though colours have their own properties, together the combination yields thought provoking results. The rope is a product of fibres, alone of nil significance; but bounded together withstand resistance and weight. Together makes team, team building makes us strong – the Foundation's theme of year 2017.

From the Desk of the Chairman

'To continue building its humble initiatives and dedicated work, the Foundation requires support of Bhutanese diaspora and other well-wishers from broader community'

Mr Tikaram Adhikari Chairman and Founding Board Member Winnipeg, Canada

It gives me immense pleasure in bringing to your attention that Punya Foundation has crossed another milestone in 2017 by focusing our attention in laying the educational foundation and empowerment of orphan youths who were victims of 2015 earthquake in Nepal. This is a move away from the previous years' work where the Foundation organized a number of creative and effective programs in the last six years impacting vulnerable children and women's lives in the refugee camp in Nepal and Kenya, and the Bhutanese Diaspora. The Foundation was able to do this successfully with the support of dedicated volunteers who are extremely generous in terms of their time commitments and it is an honour to be associated with such a devoted and self-less team of professionals. We are looking forward in moving the future program activities and plans in the coming years.

Another milestone that is worth mentioning is the formation of the Punya Foundation Team in the USA where we have just managed to complete the development of the by-laws, completed the registration and formed the USA board that is ready to launch new and emerging programs and provide additional resource for the current education program in Nepal. I would like to personally appreciate the dedicated efforts of USA team members in getting this established and strategically positioning the Foundation in developing further programs in the future. Combined with the team that is operating successfully in Australia, we are hoping to launch the Foundation as a strong international team

To continue building its humble initiatives and dedicated work, the Foundation requires support of Bhutanese diaspora and other well-wishers from broader community. I would like to urge, all those individuals and Bhutanese diaspora organizations, interested in improving the educational level of our marginalized youth and vulnerable people to continue supporting the work of the Foundation. With your support and goodwill gesture the foundation is more confident and we are moving forward in the direction we have set.

As we reported in the past, the Foundation stands to empower vulnerable people and build capacity of youth through education and engagement programs rooted in Paulor Freire's philosophy of education and capacity building that encourages organizing programs for marginalized people by consulting and involving them to raise their consciousness about their social world. It believes in Swami Viveka Nanda's philosophy of universal tolerance and respect for humanity, creating opportunities for young people from all socio-economic and cultural background without any forms of discrimination. The Foundation adheres on these strong believes and commitment in strengthening the assets of vulnerable youth and women through education, and community involvement initiatives.

Dear donors, volunteers, well wishers and program beneficiaries,

- With pleasure, the Punya Foundation brings its annual report 2017.
- This report summarises the Foundation's activities and achievements in year 2017 and its future plans for your kind perusal.
- Unlike past years, 2017 was a great year for the Foundation. It's been a year of team building and registration.
- All team members of the Foundation and donors deserve to be proud of our achievements.

7 years ago we started a mission. Aligned and committed, our allegiance to Justice through Education & Empowerment is in pursuit. Associations and collaborations are expanding. The Foundation has gained Australian Taxation Office exempt status, obtained 501(c) (3) status in the USA and a Non for Profit status in Nepal. The first international team building from our community accomplished and due thanks to all involved.

The ABA Youths in Sydney deserves a special applause for donating 1500 AUD for 3rd consecutive year. The Boomerang international, a South Australia based international educational liaising agency; an initiative of Nepali-Australian national deserves appreciation for committing to donate 1500 AUD each year.

Volunteers in Adelaide, through a 3-day spiritual program managed to collect amount to send 26 primary school students to school for an academic year. A program already 3 years in succession and minister Zoe Bettison inaugurating the program deserves a mention. Unlike past years, wider participation, collaboration and ▲ representation hit hot grounds.

Volunteers and donors scattered throughout the globe make all of us proud and mission going - a harsh past translating to generosity. The Foundation owes its Nepal chapter a big applause for reaching our support to farflung rural target population. While doing this, they incur their own expenses as well.

All these and together we make:

- 74 students going to school in Nepal
- 5 students in Ethiopia making to schools
- 4 women victims of rape and sexual violence enrolled into our women empowerment programs in Africa
- Bhutanese in Adelaide having access to spiritual get together
- Children in Adelaide benefit art and decoration exposure

Students under scholarship program, in Oromia, district in Ethiopia, Year 2017

Photo: Mr Moti Muleta

Since last 3 years, the Foundation has been working in a partnership with the School Management Board Mukadima provide education to support. Mr. Moti Muleta, Zonal Health Officer, of the Zonal Health Department has been the principal contact person. 4 students were receiving scholarships from the Foundation. In 2017, the number of scholarship recipients has increased to 5. Target groups are primary school students from the village of Mukadima in Ethiopia.

For the management and disbursement of scholarship fund, a Scholarship selection and Implementation Committee (SSIC) was formed consisting of 5 members.

Scholarship fund

A total amount of 650 Australian dollars was wired to Ethiopia through MoneyGram, received by Mr. Moti Muleta; the amount for scholarships and for women empowerment program.

Implementation, Monitoring and Evaluation: The SSIC is responsible for the implementation, monitoring and evaluation of the scholarship program. The SSIC distributed school uniforms, stationeries, and basic school materials to the students in collaboration with the local stakeholders.

This committee reached out to school in rural area and as well as the students and their parents. Local people, school authority and parents have expressed thanks for helping them educate vulnerable children.

Sustainable empowerment

Not possessing a sheep is a symbol of poverty in Oromia. In 2017, the scholarship implementing team in Ethiopia wanted to buy a lamb for each child who is under the scholarship program. This is to empower children and to give them moral boost, that they are no more poor.

Sustainable indeed – already each child has 2 sheep. Happy parents and happy children!

Spiritual Program for education of vulnerable children

The Foundation organized a three-day Shreemad Bhagawat Puran in November 2017 with an objective to generate fund for education of orphan children in Nepal. This program organized in Adelaide is 3rd in succession.

Methodology

- The Foundation executive team in Australia, through a succession of meetings, detailed a program outline and assigned major responsibilities
- Venue and modalities finalized as per feasibility and convenience
- Invitation, awareness and PR done to materialize program objective

Major responsibilities

Mr Hari Pokhrel was assigned with overall coordination responsibility. However, Mr Mohan Bhattarai took it over due to Mr Pokhrel's family engagements. Pundit Santi Ram Upadhaya Dhakal was responsible for spiritual aspects and Mr JN Bhandari for purchasing groceries and amenities essential for the program.

I extend my sincere thanks to all, especially to the volunteers, pundits and purohits. Donors with their generosity made the program a success. Through such programs, I find my engagement in community work fulfilling.

Mr Mohan Bhattarai Coordinator, Spiritual Program Photo Jasmine Vista Photography

Activities

- Program was inaugurated by Minister Zoe Bettison
- Spiritual sermons were provided by Pundit Dinesh Adhikari,
 Swami Khagendra Neopaney, Pundit Santi Ram Upadhaya Dhakal
 and Pundit Raj Panday, a representative of Biswa Hindu Parishad
- Kirtan by various teams and spiritual dances by difference groups of community members
- Ethnic school children performed a dance
- Acknowledgment and distribution of certificates

Outcome

- The program, like in the past years, ended with huge applause.
 This year's spiritual program is considered more inclusive.
- The program managed to collect around 8,000 AUD. After expenditure saved amount equivalent to educate 26 students in Nepal for one year.

Lessons and reflections

- Too intense and volunteers energy consuming. Probably, the future needs to look for alternative options
- Community appreciation of program and recommendation for similar nature of activities for engagement of elderlies

Mr JN Bhandari initiates an art empowerment project in Salisbury North for children born to refugee parents. The program is with an assertion that arts enhances intrinsic motivation, assists in career progression and expression in thematic perspectives.

Coffee and Tea program

The Punya Foundation runs a women empowerment program in Ethiopia. The program is geared at helping vulnerable women generate income. The program operates with a minimal cost. A n initial budget of about 2000 birr (Ethiopian currency) investment is helping 3 women run income generating activities.

In town of Ambo, underprivileged women were targeted to operate tea and coffee making business. A fifty-year-old woman named Abebech Eio Marga was the recipient of the fund in its first phase. Implementing partner mention the annual return by selling coffee and tea was approximately 5200 Birr.

The other program the Foundation run in Ethiopia is poultry farming. The Punya Foundation collaborated with Zonal Health Office to implement this program.

FUND GENERATION

Sydney based ABA-Youths has been generating funds through entertaining dinner program since last 3 years. The ABA- Youths is a team of committed youths partnering the Foundation to support education of vulnerable children in Nepal.

The ABA-Youths sponsors 10 students under orphan education program.

Spiritual programs in Australia have been the major fundraising medium of the Foundation since last couple of years. Among others, Puran, Kirtan, recitation and Hom and Hawan are few to mention.

Since a couple of years, people around the globe have been donating to the Punya Foundation on name of deceased loved ones. Children of Late Hema Bhandari donated an amount equivalent to educate 2 children for one year.

In January 2017, on initiation of Foundation's well-wisher Mr Deepak Lama with close coordination of Mr Tilchand Sapkota, a fund raising dinner program was organised. Through the program, the Foundation managed to build awareness on its education program in Nepal with an intention to get their support.

In 2017 the Foundation continued to receive individual donations deposited on its bank account as well as online donation through the PayPal. Unlike past years, donation through online modality has dropped, likely because of inadequate follow up and coordination.
